SERIE SMART TABS SX
Fabricado en materiales compuestos termomoldados.
Libre de óxido y corrosión
5 posiciones
No se requieren ánodos de zinc.

SMART TABS SX SERIES
Made in thermo-molded composite materials
Rust and corrosion free
5 positions
No zinc anodes required

SMART TABS SX SERIES
Realizzato in materiali compositi termoformati
Assenza di ruggine e corrosione
5 posizioni
Nessun anodo di zinco richiesto.

SMART TABS SX SERIES
Fabriqué en matériaux composites thermo-moulés
Sans rouille ni corrosion
Réglage 5 positions
Aucune anode en zinc requise
